

Tuesday			DiadES main outputs		
DiadES <i>Chair: Eric Rochard (INRAE, France)</i>	09:00	09:30	Welcome speeches and house keeping		Lead partners and Henrique Cabral (EABX)
	09:30	10:15	Keynote speaker	Reflections on the science and management of diadromous species	Russell Poole (Marine Institute, Ireland)
	10:15	10:35	Keynote speaker	National Action Plan for Diadromous Species - PNMA France	Bénédicte Valadou (OFB, France)
	10:35	10:55	Keynote speaker	SUDOANG: towards a sustainable and concerted eel stock management	Estibaliz Diaz (AZTI, Spain)
	10:55	11:25	<i>Coffee break</i>		
	11:25	11:45	DiadES - WP2	Overview of activities under the WP "Communication"	Carolina Alonso (AZTI, Spain)
	11:45	11:50	Film 1 on ecosystem services provided by diadromous species		
	11:50	12:10	DiadES - WP4	Overview of activities under the WP "Ecosystem services valuation"	Arantza Murillas (AZTI, Spain)
	12:10	12:15	Film 2 on success stories derived from European initiatives		
	12:15	12:35	DiadES - WP5	Overview of activities under the WP "Development of new species distribution models"	Patrick Lambert (INRAE, France)
	12:35	12:40	Film 3 on current problems in diadromous fish management		
	12:40	13:00	DiadES - WP6	Overview of activities under the WP "Biological and ecosystem services data collection and case studies"	William Roche (IFI, Ireland)
	13:00	13:05	Film 4 on economic assessment of ESs to improve management and conservation		

LUNCH

Tuesday			DiadES main outputs and start of the DiadES scientific days with Fauna/Shad'EAU inputs		
DiadES <i>Chair: Géraldine Lassalle (INRAE, France)</i>	14:15	14:35	DiadES - Atlas presentation	Atlas main features with presentation of related Atlases (e.g. SudoAng)	Florence Mounier (ThinkR, France) and Patrick Lambert (INRAE, France)
	14:35	14:55	Role-playing game presentation		Margaux Herschel (INRAE, France)
	14:55	16:25	Training - practising - Atlas - Game - Management guidelines	Workshop	
	16:25	16:55	<i>Coffee break</i>		
	16:55	17:55	Training - practising - Atlas - Game - Management guidelines	Workshop	

GALA DINNER

River Cruise

Wednesday			DiadES main outputs and start of the DiadES scientific days with Fauna/Shad'EAU inputs		
DiadES	09:00	11:00	Training - practising - Atlas - Management guidelines	Workshop	
	11:00	11:30	<i>Coffee break</i>		
	11:30	12:45	Engagement on the policy guidelines - format to define (debriefing after the workshops)	Plenary session	Géraldine Lassalle and Patrick Lambert (INRAE, France) with Cristina Marta-Pedroso (MARETEC-IST, Portugal)

LUNCH

Wednesday					
<p><i>DiadES with contributions from Fauna/Shad'EAU</i></p> <p>Chair: Patrick Lambert (INRAE, France)</p>	14:00	14:30	Keynote speaker - WP4	Ecosystem service valuation to create the knowledge needed for the transition to a sustainable blue economy: a policy perspective	Ana Peralta and Hidde Polietiek (DG MARE, economic team) (pre-recorded)
	14:30	14:50	DiadES - WP4	Listing and monetary valuation of ecosystem services associated with diadromous species in the 9 case studies	Arantza Murillas (AZTI, Spain)
	14:50	15:10	DiadES - WP4	Measuring the cultural values of commercial and recreational fisheries targeting diadromous species	Angela Muench (Cefas, U.K.)
	15:10	15:30	Local initiative: Fauna/shad'EAU	Economic analysis of shad recreational uses - some insights on the regulation of the activity and the species conservation	Christophe Boschet (INRAE, France)
	15:30	16:00	<i>Coffee break</i>		
	16:00	16:30	Keynote speaker - WP5	The challenge to anticipate the future of fish communities in a warmer ocean	Guillem Chust (AZTI, Spain)
	16:30	16:50	DiadES - WP5	Trajectories of ecosystem services associated with diadromous species - a case study	Angela Muench (Cefas, U.K.)
	16:50	17:10	Local initiative: Fauna/shad'EAU / DiadES - WP5	Quantification of land-sea nutrient fluxes supplied by allis shad across the species' range	Camille Poulet (INRAE, France)
	17:10	17:30	Related topic WP6	Breeding migration of sea lamprey in Loire river: a long and highly risked route	Thomas Trancart (MNHN, France)
17:30	17:50	Related topic WP6	The potential contribution of small coastal streams to the conservation of declining and threatened diadromous fishes, especially the European eel	Alan Walker / Gordon Copp (Cefas, U.K.)	
17:50	18:10	Related topic WP6	Spawning migration of smelt <i>Osmerus eperlanus</i> in the river Wyre, U.K.	Tea Basic / Andy Moore (Cefas, U.K.)	

POSTER SESSION

Thursday					
DiadES scientific day with Fauna/Shad'EAU inputs					
<p><i>DiadES with contributions from Fauna/Shad'EAU</i></p> <p>Chair: Marie-Laure Acolas (INRAE, France)</p>	09:00	09:30	Keynote speaker - WP6	Methods to track diadromy	Karin Limburg (SUNY-ESF, USA)
	09:30	09:50	DiadES - WP6	Shads metapopulations: insights from microchemistry	Françoise Daverat (INRAE, France)
	09:50	10:10	Local initiative: Fauna/shad'EAU	Unravelling the distribution, biology and ecology of European shads during a key phase but also a black box: the marine phase. Various approaches, including otolith microchemistry	David José Nachón García (USC-EHEC, Spain)
	10:10	10:30	DiadES - WP6	Hybridization across the Atlantic Area	Ana Filipa Belo (MARE-University of Évora, Portugal)
	10:30	10:50	Local initiative: Fauna/shad'EAU	Hybridization between <i>Alosa alosa</i> and <i>Alosa fallax</i> : causes and consequences for conservation	Olivier Lepais (INRAE, France)
	10:50	11:20	<i>Coffee break</i>		
	11:20	11:40	DiadES - WP6	Using environmental DNA (eDNA) detection to monitor diadromous species in rivers and estuaries	Naiara Rodriguez (AZTI, Spain) and Phil Davison (Cefas, U.K.)
	11:40	12:00	Related topic WP6	Diadromous species at sea distribution and the role of MPAs	Gaspard Dubost (Pole MIAME, France)
	12:00	12:20	Related topic WP6	Investigating the spawning behaviour of Twaite Shad (<i>Alosa fallax</i>) on a navigation river in the south-east of Ireland	Tara Gallagher (IFI, Ireland)
12:20	12:40	Related topic WP6	Mondego case study - overview	Catarina Mateus (MARE-University of Évora, Portugal)	

LUNCH

Thursday					
Diadromous fish stocking: weaknesses, strengths and future challenges					
<p><i>REVE</i></p> <p>Chair: Joern Gessner (IGB Berlin, Germany)</p>	14:00	14:10	Introduction words		Marie-Laure Acolas (INRAE, France) and Sylvie Jego (AEAG, France)
	14:10	14:30	Keynote speaker	Supporting diadromous species populations in the Adour-Garonne basin: a variety of objectives and tools	Gilles Adam (DREAL-NA, France)
	14:30	14:50	Keynote speaker	East, West, Home is (Not) Best: History of American Shad stocking in the U.S.	Karin Limburg (SUNY-ESF, USA)
	14:50	15:10	Keynote speaker		
	15:10	15:30	Questions / exchanges with the room		
	15:30	16:00	<i>Coffee break</i>		
	16:00	16:20	Student speaker	Development of population monitoring methods for the reintroduced Allis shad (<i>Alosa alosa</i>) in the Rhine system	Elodie Boussinet (UCB, Germany)
	16:20	16:40	Keynote speaker	Rearing more wild-like fish for stocking – does it work?	Joacim Naslund (SLU Aqua, Sweden)
	16:40	17:00	Keynote speaker		
17:00	17:20	Questions / exchanges with the room			

FREE EVENING

Friday		Diadromous fish stocking: weaknesses, strengths and future challenges			
REVE Chair: Françoise Daverat (INRAE, France)	09:00	09:20	Keynote speaker	182 years of eel restocking: history and state of art	Laurent Beaulaton (OFB, Pole MIAME, France)
	09:20	09:40	Student speaker	The restocking of eels from an evolutionary ecological perspective: a review	Hermione Froehlicher (INRAE, France)
	09:40	10:00	Questions / exchanges with the room		
	10:00	10:20	Questions / exchanges with the room	Restocking <i>Anguilla anguilla</i> in the Loire River, from glass eels to silver eels	Eric Feunteun, Bastien Bourillon and collaborators (MNHN Dinard / INRAE Rennes, France)
	10:20	10:50	Coffee break		
	10:50	11:10	Keynote speaker	Lessons from <i>Acipenser sturio</i> and <i>A. oxyrinchus</i> restoration programs	Marie-Laure Acolas, Joern Gessner, Eric Rochard and collaborators (INRAE, France & IGB Berlin, Germany)
	11:10	11:30	Keynote speaker		
	11:30	11:50	Questions / exchanges with the room		
11:50	12:20	Questions / exchanges with the room			
	12:20	12:30	Closing words		Organizing committee

END with lunch
